

## Saying “yes” to help young moms as a Ruth Harbor Table Host:

Simply register...pray...invite. We provide the rest of the support!

Thanks to the generosity of banquet underwriters, there is no cost for you or your guests to attend the banquet. An opportunity to contribute to the ministry will be given at the end of the banquet.

- You may host one table of 10 people (or more). If you are able to have 11, 12, or two full tables of guests, we'll put your tables next to each other. Don't worry if you have an “odd” number.
- When you **register at [www.RuthHarbor.org](http://www.RuthHarbor.org)**, there will be a box to check indicating your interest in being a table host. OR you may call or email our office to register as a table host.
- Guests may register to sit at your table or you may register them (online or with our office).
- Invitations will also go out from our office to individuals around the community. But your personal invitation will always be more effective than our paper invites!
- Attend the 45-minute **Leadership Launch**. (details below).
- Prayerfully select and invite guests who may have a heart for the RH mission.
- At the banquet, warmly greet your table guests and distribute response cards when instructed.
- We are here to answer any question: 515-279-4661 or [Aimee@RuthHarbor.org](mailto:Aimee@RuthHarbor.org).

**May we hear back from you either way by September 20?**
