

Table Host Details:

Thanks to the generosity of our banquet underwriters, there is no cost for you or your guests to attend the banquet. An opportunity to contribute to the ministry will be given at the end of the banquet.

- You may host one table of 10 people (or more). If you are able to have 11, 12, or two full tables of guests, we'll put your tables next to each other. Don't worry if you have an "odd" number of guests.
- When you **register at www.RuthHarbor.org**, there will be a box to check indicating your interest in being a table host.
- You may call or email our office to register as a table host.
- Guests may register to sit at your table or you may register them (online or with our office).
- Invitations will also go out soon from our office to individuals around the community. But your personal invitation will always be more effective than our paper invites!
- Prayerfully select and invite guests who may have a heart for the RH mission.
- At the banquet, warmly greet your table guests and distribute response cards when instructed.
- We are here to answer any question: 515-279-4661 or Aimee@RuthHarbor.org.

May we hear back from you either way by October 3?

Special Speaker, Kirk Walden

A night with Kirk Walden is an evening filled with humor, challenge, vision and hope. Kirk's journey into pregnancy help ministry—where he has served for more than 25 years—leads through life as a sports writer, professional golfer, and even nine years as a single dad.

Kirk is also author of *The Wall*, a book sweeping through the pro-life community with a powerful message—outlining a path to ending abortion as we know it in the next decade. His home on the web is www.1stFaith.com.

In addition to his speaking and writing, Kirk serves as an Advancement Specialist for Heartbeat International, the world's largest affiliate network for the pregnancy help community.

When you hear Kirk, leave the challenges of the day behind and get ready to laugh with a speaker with whom everyone can identify. In addition, be prepared for a surprising view on the true impact of pregnancy help ministries all over the country.

If you are ready to create a true culture of life in America—Kirk brings a powerful perspective on how the battle will be won in this generation.

Kirk lives in Hendersonville, Tenn.—a Nashville suburb—with his wife Jennifer. They have five children, ranging in age from 29 to 9. Now there's another story waiting to be told!
