Walk

For Life

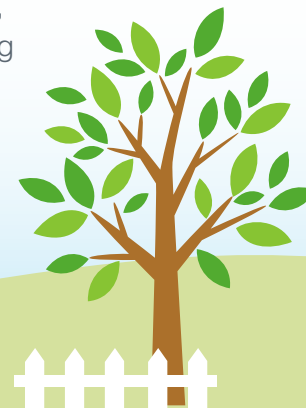

Help us reach
our goal of 250
**SPONSORED
WALKERS**
each raising
\$250+!

Christ-centered homes & programs for pregnant and parenting young moms.

Our two homes, which are located in Des Moines and Carlisle, Iowa, provide young moms and their babies with counseling, education support, life-skills training, access to quality health care, spiritual guidance, parenting training and/or adoption assistance. Our services are provided at no cost to the residents and we do not utilize government funding.

Therefore, we rely solely on the support of individuals, churches and groups who support this important mission.
