

Absolute Evidence

Fundraising Banquet
Thursday, November 11, 2021

For 20 years, young moms and their babies have been passing through the doors of Ruth Harbor, and we're beginning to see the fruits of God's blessings in the next generation — "Ruth Harbor babies" who are now young adults, all because their moms chose life for their unborn children.

We invite you to be inspired, encouraged, and challenged by the "Absolute Evidence" of God's activity and goodness at this year's Fundraising Banquet.

Guest speakers:

KAILEE PERRIN & DAUGHTER, PRESLEE

At age 18, Kailee found herself addicted to drugs and alcohol, and pregnant. Her boyfriend, a drug dealer, offered to pay for an abortion so they could both move on with their lives. Kailee resisted, and her life now serves as a powerful reminder that no one is too far removed from God.

Hope shines brightest in the darkest places, and Kailee's story is no exception - it will inspire you as a voice for the unborn and the mothers who carry them. However, the real "exclamation point" to Kailee's message will be told by her 13-year-old daughter, Preslee.
